VILLAGE

INDEPENDENT SENIOR LIVING

Get ready to be inspired! Come join us for an event dedicated to **MissionView Village** – a safe haven for homeless seniors on a fixed income, seeking security, savings, and independence!

No senior in our community deserves to endure life on the street. With your help, we can provide our most vulnerable with a home. Join us as we embark on this journey to build a brighter future for homeless seniors in our community. Let's create MissionView Village together!
